SC PERFORMANCE GOAL

2010 Goal:
By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Rivelon Elementary School is located right outside the town limit of Orangeburg, SC. The school has a population of approximately 260 students. We take pride in being a community school.

Here at Rivelon, a school-wide Title I learning institution, we feel that developing the whole child is important. We achieved this goal by providing character education for all of our students. Through our guidance counselor, each grade level has scheduled guidance sessions. Of our students, 91 percent are African American, eight percent are Caucasian and two percent are Hispanic. Here, we try to address each subject using a different best-practice strategy or technique that will help our students relate the learning to real-world experiences.

Our fifth grade students participated in the State Superintendent's Writing Awards contest. We had several consultants who brought our instruction to a new level. The math, reading, social studies and science teachers were given intensive training in using manipulatives and hands-on activities with our students. We used technology as an essential part of our instructional program at Rivelon Elementary. Another way we strengthened our reading program this year was by continuing our successful Books and Breakfast Program. At Rivelon, we feel that it is our job to encourage and motivate our students so that they believe that they can become whatever they desire.
